ABOUT THE COURSE

7-week online course | 14 live sessions

- 2 sessions per week
- 75 minutes per session

Course Outcome

- **Master Kannada letters** through guided reading and writing practice
- Start reading real-world Kannada, from **signboards and banners** to everyday text around you

Course Highlights

- **Live & interactive sessions** conducted on Zoom
- Session recordings available for up to 6 sessions (out of 14)
- Every session includes revision, doubt clarification, concept learning, and guided practice
- Detailed **course material** and assignments shared after every session
- Continuous revision and reading practice throughout the course
- **Practice tests** for every concept to improve recognition, retention, and confidence
- Learn through live iPad writing demonstrations, notebook practice, and real-time feedback

Fee: ₹4600

📌 Important Note

- This course focuses on identifying Kannada letters, reading words and **understanding commonly used Kannada** found on signboards, shop names, notices and similar everyday text.
- The course **does not focus on** reading paragraphs, sentence formation or Kannada grammar in detail.
